Weekly Update

This week we have lots of wonderful learning to celebrate.

- In EYFS the children are enjoying preparing for their Winter Performance.
- Y1 children have amazed their teachers with the retrieval of so many facts from their topic and their ability to apply their knowledge across the curriculum!
- Y2 have created fantastic fact files about Robin Hood.
- Y3 have shone when using iPads and laptops to showcase their maths skills.
- Y4 children (and staff) have been enjoying stories from around the world. 'Malala's Magic Pencil' has inspired the children to make a difference to our world.
- Y5 have transformed into talented 'rappers' to share their thoughts about sustainability.
- Y6 – your teachers have been overwhelmed by your enthusiasm and commitment whilst learning from home. You have been focused in the two daily zoom classes with your teachers and the work you have produced at home has been presented beautifully – well done!
