Weekly Update

EYFS have amazed their teachers with fantastic number skills this week – well done!

Y1 have been inspired by their recent local litter pick and have created litter collages.

Y2 have been very creative when decorating their clay models of animals for their micro-habitats.

Y3 have been ‘rocking’ it in science. They have been classifying and grouping rocks and have even made their own sedimentary rock!

Y4 enjoyed Mr Pepper visiting and teaching them all about film. They created their own storyboard journeys and are looking forward to watching their own Y4 film premier when we return after the holiday.

Y5 are writers and have produced excellent recounts that they are looking forward to sharing with their families on the 8th November.

Y6 had lots of fun at their Y6 Big Family Quiz Night. Thank you to all the families who came to support the event and help to raise money towards buying a defibrillator for the local area.

E-Safety

We are aware that some children are accessing a version of Squid Game (mostly through the gaming platform Roblox). Although we are aware that Roblox has an age rating of 7+, not all of the content on this gaming platform is appropriate for the age of our children. We kindly ask for your support by closely monitoring online sites and the content that your child might be accessing. Thank you.
