Year 1

Spring 2

Farm Food Fork

Global theme

Enterprise

Everyone a Leader

Welcome back Year 1

Our topic this half term will be... **Farm Food Fork!**

The life cycle and parts of plant...

germinating

growing

ripening

seedling

flowering

evergreen

An evergreen tree keeps its green leaves all year round.

deciduous

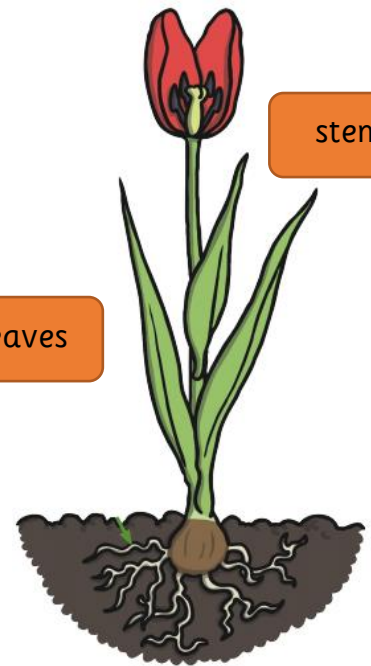

A deciduous tree loses and regrows its leaves each year.

petals

stem

leaves

roots

Word

Definition

seedling

When the stem of the plant begins to grow through the ground.

petals

The coloured part of a plant that attracts insects and birds.

leaves

The part of a plant that takes in sunlight to give the plant energy.

roots

The part of the plant that keeps it in the ground. They take in the water and nutrients the plant needs.

stem

The part of the plant that keeps it upright.

deciduous

A tree or shrub that loses its leaves every year.

evergreen

A tree or shrub that keeps its leaves every year.

D&T

Making our own fruit kebabs...

Words	Definition
cut	Slice something into smaller sections using a tool or knife.
peel	Remove the outer covering or skin from a fruit or vegetable.
grate	To shred a fruit or vegetable into small strips.
measure	Weighing out the correct amount of ingredients.
balanced diet	Eating the right amount of foods from the different food groups

Geography

weather associated with the seasons and how day length varies...

Spring Summer Autumn Winter

Month	Sept	Oct	Nov	Dec	Jan	Feb	Mar	April	May	June	July	Aug
Hours of sunlight	13	11	9	8	8	10	12	14	15	16	16	14

PE

Gymnastics – a sport which involves doing exercises which need strength, flexibility, balance and control

balance – to maintain a controlled body position during a task

coordination – arms and legs to work together in a coordinated, effective way

Learning Destination

We are going to grow and sell vegetables to sell at our own market stall.
