Geography

We need to name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics. The longest river in the UK is the Severn at 352km.

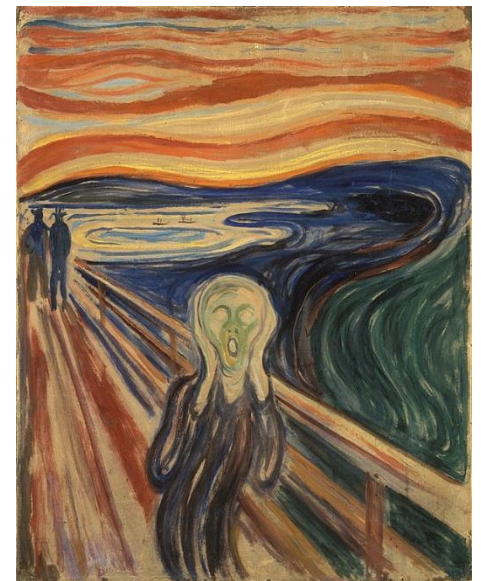

The highest peaks in the UK are Ben Nevis, Scafell Pike and Snowdon.

Art

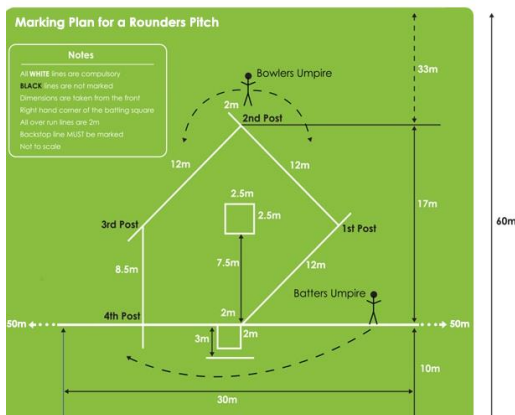

Edward Munch was born in 1863 in Adalsbruk, Norway.

Munch moved to Paris in 1889 and was inspired by Vincent Van Gogh and Paul Gauguin.

The Scream is the most well-known of Munch's paintings. There are actually four versions of the work (two in pastel, and two in paint). One of the pastel versions sold for more than \$100 million in 2012.

PE

Learning Destination: Create a Viking helmet.

We will create a realistic Viking helmet using our design and technology and our painting knowledge and skills.
