Weekly Update

This week, our Belonging Assembly was led by Prashant who shared with the children information about the Hindu faith and Divali celebrations.

EYFS enjoyed a visit from a travelling circus show and workshop where they learnt new skills.

Year 1 loved bringing in toys to share for their new topic 'Toys Past and Present'.

Year 2 have been busy memorising lines and songs in preparation for their winter musical.

Year 3 learnt about Divali during RE day and enjoyed linking their learning to our Belonging assembly led by Prashant.

Year 4 are captivated by their new book, 'Romans on a Rampage!' by Jeremy Strong.

Year 5 explored vocabulary linked to the Gunpowder Plot, such as 'thwarted' and 'cloak of secrecy'.

Year 6 are fraction experts in maths and can use different representations of fractions, including the bar model, to demonstrate their understanding.

Congratulations

Congratulations to Miss Woodhead who got married over the holiday and has returned to Fairfield as Mrs Fairbrother. 😊

Headlice

Head lice and nits are very common in young children and their families. They do not have anything to do with dirty hair and are picked up by head-to-head contact.

We request that all families regularly check hair and if required follow the advice provided in the links below for effective treatment.

If you require additional support, please speak to your local pharmacist/GP. School are able to support families in making referrals to Nottinghamshire Healthy Families Team if wider support may be necessary.

Making Sense of Autism

We would love to invite parents/carers to join us at one of our planned events: Making Sense of Autism.

This will be a chance to meet Lindsay Beach, an Autism specialist from Nottinghamshire County Council. An opportunity to network with other parents and carers, signpost you to resources, offer support and provide opportunities for you to ask and have questions answered.

Lindsay Beach will be holding two events, delivering the same content. Tea/Coffee and refreshments will be provided.

16th November at 10.00am

24th November at 5.00pm

Please complete the Google Link below to confirm your attendance.
